Progression in History

Chronological	Chronological Awareness		
Foundation	Discuss birthdays Learn the days, months and seasons Understand changes in their own lifetime / personal timeline Use everyday language related to time		
Year 1	 Understand the difference between things that happened in the past and the present Describe things that happened to themselves and other people in the past Order a set of events or objects Use a timeline to place important events Use words and phrases such as: now, yesterday, last week, when I was younger, a long time ago, a very long time ago, before I was born Know about when my parents/carers were young 		
Year 2	Show an awareness of the past, using common words and phrases relating to the passing of time Describe where the people and events studied fit within a chronological framework and identify similarities and differences between ways of life in different periods		
Year 3	Place the time studied on a time line Sequence events or artefacts Use dates related to the passing of time		
Year 4	Place events from a period studied on a time Use terms related to the period and begin to date events Understand more complex terms e.g. BC/AD and BCE/AD		
Year 5	Place current study on time line in relation to other studies Know and sequence key events of time studied Use relevant terms and periods labels Relate current studies to previous studies and make comparisons between different times in history		
Year 6	Place current study on time line in relation to other studies Use relevant dates and terms Sequence up to ten events on a time line		

Historical Enq	listorical Enquiry		
Foundation	Look closely at similarities, differences, patterns and change Talk about changes Explore historical mystery objects Answer 'how' and 'why' questions about their experiences and in response to stories and events Sort artefacts 'old' and 'new' Know that information can be retrieved from books and computers		
Year 1	Identify different ways in which the past is represented Explore events, look at pictures and ask questions i.e, "Which things are old and which are new?" or "What were people doing?" Look at objects from the past and ask questions i.e, "What were they used for?" and try to answer		
Year 2	Ask and answer questions, choosing and using parts of stories and other sources to show understanding of key features of events Explore mystery objects for a different time Show understanding of some of the ways in which we find out about the past and identify different ways in which it is represented		
Year 3	Use a range of sources to find out about a period Observe small details – artefacts, pictures Select and record information relevant to the study Begin to use the library and e-learning for research Ask and answer questions		
Year 4	Use evidence to build up a picture of a past event Choose relevant material to present a picture of one aspect of life in time past Ask a variety of questions Use the library, e-learning for research		
Year 5	Begin to identify primary and secondary sources Use evidence to build up a picture of life in time studied Select relevant sections of information Confident use of library, e-learning, research		
Year 6	Recognise primary and secondary sources Use a range of sources to find out about an aspect of time past. Suggest omissions and the means of finding out Bring knowledge gathering from several sources together in a fluent account		

Knowledge an	d understanding of people and events
Foundation	Understand key features of events e.g. Remembrance Day Learn about the lives of significant individuals e.g. Royal Family leaders past and present around the world Children talk about past and present events in their own lives and in the lives of family members
Year 1	Recall some facts about people/events before living memory Say why people may have acted the way they did
Year 2	Understand key features of events Discuss the lives of significant individuals in the past who have contributed to national and international achievements and use some to compare aspects of life in different periods. (e.g. The Royal Family, Mary Seacole, Florence Nightingale, Amelia Earhart, Amy Johnson, Samuel Pepys, Guy Fawkes)
Year 3	Find out about everyday lives of people in a time studied and compare with our life today Identify reasons for and results of people's actions Understand why people may have had to do something Study change through the lives of significant individuals
Year 4	Use evidence to reconstruct life in a time studied Identify key features and events and look for links and effects in a time studied Offer a reasonable explanation for some events Develop a broad understanding of ancient civilisations
Year 5	Study different aspects of life of different people – differences between men and women Examine causes and results of great events and the impact on people Compare life in early and late times Compare an aspect of life with the same aspect in another period Study an ancient civilization in detail
Year 6	Find out about beliefs, behaviour and characteristics of people, recognising that not everyone shares the same views and feelings Compare beliefs and behaviour with another period studied Write another explanation of a past event in terms of cause and effect using evidence to support and illustrate the explanation Know key dates, characters and events of a time studied Compare and contrast ancient civilisations

Historical Interpretation		
Foundation	Foundation Recount an event, verbally and written.	
	Children represent their own ideas, thoughts and feelings through design technology, art, music, dance, role play and stories	
Year 1	fear 1 Look at books, videos, photographs, pictures and artefacts to find out about the past	

Year 2	Describe changes within living memory and aspects of change in national life.
	Describe events beyond living memory that are significant nationally or globally e.g. The Great Fire of London, the first aeroplane flight
	or events commemorated through festivals or anniversaries
	Describe significant historical events, people and places own locality
Year 3	Identify and give reasons for different ways in which the past is represented
	Distinguish between different sources and evaluate their usefulness
	Look at representations of the period – museum, cartoons etc.
Year 4	Look at the evidence available and begin to evaluate the usefulness of different sources
Year 5	Compare accounts of events from different sources.
	Explore how fact or fiction offer some reasons for different versions of events
	Use library and e learning for research
Year 6	Link sources and work out how conclusions were arrived at
	Consider ways of checking the accuracy of interpretations – fact or fiction and opinion
	Be aware that different evidence will lead to different conclusions
	Be confident in use of the library / e learning for research
Organisation a	nd communication
Foundation	Talk about things they did at the weekend, yesterday, this morning
	Visual timetable
	Orders and sequences familiar events
Year 1	Sort events or objects into groups (i.e. then and now.)
	Use timelines to order events or objects
	Tell stories about the past
	Talk, write and draw about things from the past
Year 2	Use a wide vocabulary of everyday historical terms
	Speak about how they have found out about the past
	Record what they have learned by drawing and writing
Year 3	Communicate knowledge and understanding in a variety of ways which could include discussions, pictures, writing, annotations and
	drama
Year 4	Select data and organise it into a data file to answer historical questions
	Know the period in which the study is set and display findings in a variety of ways
	Work independently and in groups

Year 5	Fit events into a display sorted by theme and time Use appropriate terms, matching dates to people and events Record and communicate knowledge in different forms. Work independently and in groups showing initiative
Year 6	Select an aspect of study to make a display Use a variety of ways to communicate knowledge and understanding including extended writing Plan and carry out individual investigations

The following vocabulary will be introduced and used at individual pupil's pace
